Mt Farrell / Lake Herbert Walking track

The carpark for Mt Farrell and Lake Herbert Walking Track is at the Farrell Heritage Park and the walk commences near the shelter shed with interpretative panels. Google maps Lake Herbert Walking Track / Mount Farrell Trailhead Parking is the marked trail head (Murchison Highway). The closest public toilets in town at the Community Hall on Farrell Street.

At 1.85km along the track there is a 3 way intersection (one of the three is less obvious). Take the left-hand turn (or straight ahead) to follow the maintained track to Mt Farrell and Lake Herbert (on Gaia GPS it is labelled the Lake Herbert Track). The right-hand turn is not maintained and include deep eroded gullies. The left turn provides great views towards Lake Mackintosh.

At the 2.5km mark turn up hill to the right (small flagging tape on tree) there is a small gap between two rocks to step across.

To the Mt Farrell Trig point is 3.64km one way.

Direction of travel east to west. Red dotted line is the track to follow to Mt Farrell and Lake Herbert.
